

Housecall Physicians

Best Medical Care Right at Your Home!

ABOUT US

We are a group of seasoned clinicians with a passion for geriatric medicine, offering house call services in South Shore area and Cape Cod. We take pride in our personable and holistic approach. We are accepting new patients residing in independent/assisted living facilities, memory care settings and private homes.

SERVICES OFFERED

- New patient visit to establish primary care at home, independent/assisted living facilities, memory care units.
- Frequent follow up health maintenance visits to avoid unnecessary ER visits, hospital admissions and readmissions.
- Onsite urgent visits and telehealth services, as needed.
- Follow up visits after ER and hospital discharge.
- Assistance with paperwork for handicap placard, VA benefits and legal guardianship.
- Diligent medication management to avoid poly pharmacy and refills.
- Coordinating care with specialists.
- Referrals for visiting nurse services such as skilled nursing, PT/OT, speech therapy and swallowing assessments, wound care, Hospice and Palliative Care.
- Face to face evaluation visits for durable medical equipment.
- Assistance with paperwork for handicap placard, VA benefits, and legal guardianship.

BENEFITS FOR PATIENTS AND FAMILIES

- We see you at your home, therefore no worries about making trips to doctors' offices and long wait times in the waiting room!
- We always keep your family/power of attorney informed about your medical conditions after each visit.
- More personable care and you don't feel rushed.

Insurance plans accepted: At this time, we accept patients with Medicare and any secondary insurance plan, BCBS and all PPO Medicare advantage plans.
